

Our focus for the summer is our “Go Local” mission projects. We started our projects with a community car wash. It was a great success. During the car we handed out information to those who brought their cars in about the summer projects. Our Mission Ministry is organizing these projects. Be looking for up and coming information to voluntary as FBCW reaches out to its community.

Who would have thought in the cold month of January that FBCW would have experienced the outpouring of guests to our church? It was great to seeing God moving among us. This start of the New Year has continued through the first seven months of 2011. Our goal was 50 decisions for the year and we have as of the end of July 28 decisions. Our goal for baptism is 25 for the year and we have as of the end of July 13 baptisms. Our goal for the budget was to be over \$8000 a week and we are currently at \$8070 a week for the first seven months of the year. If you keep looking at the past and you will miss what God is doing in the present. God is moving in our church and I am excited what He is planning to do in the second half of the year. My prayer is that we will continue to focus on what God is doing and join Him where He is.

I want to personally thank each one who has been faithful to our church. It always amazes me what God will do

Pastor Bill Perry

Dear church,

Please be in prayer for the Coleman family as Tim leads his family to Florida. He will be in a yearlong training with Campus Crusade. The Coleman family will be trained at Lake Hart Stint. This is a special one-year Campus Crusade for Christ senior staff development program at the World Headquarters. Tim and Shari have been invited to participate in this program. Tim will not only go under this special training but he will also serve in a staff position.

The Coleman family will be missed but remember we are only letting them go for a year. Remember them in prayer. May God richly bless you and your family in the coming year.
